## Junior Golf Camp

During this camp students will learn the fundamentals of the golf swing including proper set-up, transition, downswing, impact and follow-through. The tee shot, iron play, chipping and pitches around the green, short and long putting, basic rules of the game and proper etiquette will also be taught by Coach Davies. All equipment will be provided; students are welcome to bring their own clubs. Camp runs for 2 hours a day. This is a low-pressure, fun way to introduce your child or teen to the game of golf or to build on skills they may already have. Daily range balls are included in the cost along with daily putting and chipping contests.

## Camp Oak-ventures

Do your kids love adventures and exploring new places? Oakland County Parks' Adventure Day Camp consists of County Park tours and spending time in the great outdoors! Possible camper activities will be: making waves at our waterparks, strolling trails through guided nature hikes, laying under the stars in our star lab, shooting archery, scaling a rock wall and soaring through the air with a free-standing zip-line! Campers will also spend their days running through inflatable obstacle courses, playing mini golf, doing crafts, and participating in wacky games, just to name a few!

Trained summer camp staff and Oakland County Parks & Recreation Commission (OCPRC) bus drivers will pick up participants and transport them to and from our County Parks each day. OCPRC is a state licensed day camp program. All abilities are welcome to attend our camps! Please contact Oakland County Parks & Recreation at 248-858-1486, 48 hours in advance if your child requires special accommodations. Campers are required to bring a lunch, 2 snacks, refillable water bottle, sunscreen, socks, tennis shoes, bathing suit and towel to camp each day. Camp registration includes t-shirt, all park entries and tickets throughout the week of camp.

After registering with Springfield Township Parks and Recreation, you will receive an email from Oakland County with a welcome letter and a link directing you to Campdocs. In order to complete your registration, you will need to create a Campdocs profile and complete medical forms and waivers. Campdocs allows Oakland County Day Camp staff to communicate with you via the Campdocs website (similar to emails) in real time. During the camp day and throughout the entire camp week you will receive reminders of what to bring for the next day, what the kids are up to, group photos, and any written incidents pertaining to your child. Camp is held rain or shine. Registration deadline is the Monday (at 5:00pm) prior to the camp session starting.

## Be Smart. Add ART!

Does your child LOVE art? Let's get to it! In this week-long venture, we have an interesting exploration of art with science and math. Painting and drawing mediums will be utilized in this creative camp as students will be working in pen, ink, poster paint, acrylics, pastels and mosaics! We will be exploring rocks and crystals by cracking open our very own geode! For some of our art, we will be making our own paper! Does your child love animals? Great! We will enjoy a visit from a live critter for our animal study day! A gallery show will be extended to our families following class on the final day. Please have your student wear clothes that are not precious and bring a lunch as well as sunscreen as we will be venturing outdoors.

## Skull Island Camp

Take a boat ride to your own private island campground for a fun filled day of activities. Each morning your child is transported to a real island on Pontiac Lake surrounded by woods, trails and water. It's

an adventure camp like no other! Skull Island Camp is in its 12th year of operation. The camp is not designed to be the biggest in terms of accommodating numbers of campers, but definitely strives to be the best. Our hours of operation are very flexible for all types of working parents. Our normal hours of operation are 9am to 5pm with an option of many pick up and drop off times. Early drop off (\$5/hour extra) begins at 8am with late pick up (\$5/hour extra) until 6pm with a daily option of picking your child up at 3pm or 4pm. Parents do not need to register their children for early or late pick up ahead of time, they will just need to pay when they arrive and let the camp staff know when they will be picking up their child. Our boats begin running at 8am and operate continuously until approximately 9:20am every day to allow the parent an easy in/out procedure for their child on their route to work. Reversing the procedure in the afternoon parents have the flexibility of picking their child up at different times each day if needed.

## Open House Weekend

June 2nd & 3rd from 1-4pm

Bring the family out for a fabulous island tour, meet the staff and talk to other parents who have had their children in our camps for years. Allow your children to test the waters, try our zip lines, test their hand at fishing, climb the play forts, pirate ships and rock walls or simply build themselves a one-of-a-kind sand creation on our private beach while on your visit.

## State Licensed Camp

We are a state licensed camp. While our size has grown throughout the years our specialized way of child care has not. Our private island camp is set up with many different activity stations allowing children to have a choice in what they want to do each day. This type of supervision allows children to thrive in a group like atmosphere of their own choice. Small knit groups allow for the children to quickly find new friends and bond new relationships enabling every child to experience that "real outdoor adventure camp" feeling. Recommended age for our camp is 5 to 12 but we take 4 year olds on a case-by-case basis and have a great specialized junior counselor program for 13 to 15 year olds.

## What Are They Eating?

Most of our food is made from scratch each day. Two things NOT on the island...A deep fryer and peanuts. Each day the island kitchen prepares bread from scratch for pizza, garlic bread, cinnamon bread, banana bread etc. Sauce for pizza, spaghetti and lasagna is also made from scratch. Grilled hot dogs are offered every day. Lean proteins such as roasted chicken and turkey are also on the daily buffet along with fresh fruits and vegetables. Plenty of fresh pasta dishes are also made daily such as homemade macaroni and cheese, tuna pasta and fettuccini alfredo.

# 2018 Camps

## Genius Education Camps

### LEGO® Engineering

This camp introduces students to our special LEGO Education kits and provides an exciting way to combine fun and learning. Students will enjoy hands-on learning as the engaging LEGO building projects start them down the path of STEAM (Science Technology Engineering Art Math) enrichment concepts beginning with an introduction to simple machines. Students will learn through guided exploration and they will be challenged to develop their imagination and creative ideas into working designs. Younger students are introduced to wheels and axles, gears, levers and pulleys and more while older students will begin to motorize their designs! New builds each camp! Pre-registration is required one week before each camp starts.

Camp 1: Monday, July 9–Friday, July 13 Camp 2: Monday, July 30–Friday, August 3				
COURSE	AGES	TIME	RES.	NON.
Camp 1 (C11)	6–11	9am–12pm	\$150* Early Bird Rate	\$155* Early Bird Rate

\*\*Regular Registration closes July 2 for Camp 1 and closes July 23 for Camp 2.

Students who register for an AM and a PM camp should bring a sack lunch.

### TAKE HOME ITEMS

Excluding LEGO® camps, students in Genius Education camps take home and keep all their camp kits and projects. LEGO Engineering camps generally include at least one take home item. Pullback Car Engineering camps use BanBao and other brands which are comparable to other toy bricks like LEGO bricks.

### Pullback Car Engineering

Build and keep your own motorized pullback cars! This popular STEAM (Science Technology Engineering Art Math) enrichment camp develops problem solving and creativity as students build motorized pullback cars specifically selected to fit each student's grade and building skill level. Students will build their own fleet of cars using a design pamphlet for each vehicle and become junior engineers challenged to design new creations using their BanBao car kits. Students will participate in experiments and races designed to demonstrate science and engineering concepts and laws such as gravity, potential and kinetic energy. Students build different cars every time! BanBao kits are made of quality bricks that are comparable to and fully compatible with other brands like LEGO®. Students take home and keep everything they build! Pre-registration is required one week before each camp starts.

## Spring & Summer Break Horseback Riding Camps for Kids

Groveland Riding Camp's goal is to teach young riders the proper, ways to handle, ride and treat horses. Camps include two separate riding lessons per day; clinics & labs featuring horse management, anatomy, grooming, tacking, and special sessions, such as: watch a veterinarian treat a horse and a farrier trim and shoe the horse's feet. Campers will also get to work on horse-related crafts.

Campers should bring their own lunches, drinks will be provided. On the last day of camp, we will have a Bring-A-Friend Pizza Party. Participants must wear long pants, hard soled shoes, and a helmet. A bike helmet is acceptable; we will have a few extra helmets for use for campers who do not own a riding or bike helmet. Temperatures above 85 degrees are too hot for horses to work so campers will not ride, but will take part in other equestrian activities. Transportation as well as pre- and post childcare is available by special arrangement through Groveland Equestrian Center at an extra charge based on distance & time, after registration is completed through Springfield Township Parks and Recreation. Please sign up early as these camps fill quickly and participation is limited to 6 campers per session. The camps are small so we can offer individual attention to each camper.

# Dog Obedience

## Clever Canine

Clever Canine is a dog training center located in Waterford. The business employs several staff, including 3 Certified Dog Trainers that teach classes and private lessons as well as train individual dogs. The staff at Clever Canine train a range of behaviors including household manners, dog sports, scent training, and service dog tasks.

### "Walk in the Park"

#### Obedience Classes 🐕 🚫 🦋 🚗

Join us at the Shiawassee Basin Preserve for an exciting 4 weeks, with a focus on loose leash walking, sit, down, watch, and stay. We will be meeting at the pavilion near the baseball diamonds off of Davisburg Rd and then progress to loose-leash walking on the park trail behind the pavilion (1-mile walk). Each session is a stand-alone class and can be taken multiple times, depending on your dog's obedience training needs. All dogs must be friendly with people and other dogs to attend our classes. Vaccinations must be on record and a copy of each dog's shot record is required for all new dogs at their first class. Our maximum is 10 dogs per class to ensure you and your dog get individual attention. Per park policy all dogs must be on a 6' leash at all times and picking up after your dog is required. Pre-registration is required one week before each class starts.

Session 1: (P201) Saturdays, June 2–23  
Session 2: (P202) Saturdays, July 7–28

\*Early Bird Rate Ends May 18 for Session 1 / Ends June 22 for Session 2

\*\*Regular Registration Closes May 25 for Session 1 / Closes June 29 for Session 2

## Basic Obedience 🐕 🚫 🦋 🚗

Our 6 weeks basic obedience classes cover house manners including: sit, down, stand, leave it, place, watch me, and loose leash walking. Each session is a stand-alone class and can be taken multiple times, depending on your dog's obedience training needs. All dogs must be friendly with people and other dogs to attend our classes. Vaccinations must be on record and a copy of each dog's shot record is required for all new dogs at their first class. \*\*Regular Registration Closes March 30 for Session 2 / Closes April 24 for Session 3 / Closes June 27 for Session 4

## Intermediate Obedience 🐕 🚫 🦋 🚗

Our 6 weeks intermediate dog obedience classes cover the skills needed to pass the AKC (American Kennel Club) Canine Good Citizen test—skills like walking nicely through a crowd, or past another dog, or being friendly and polite when meeting strangers. Taking the CGC is an excellent way to show off your dog's obedience and earn a certificate that proves that your dog has good manners and you are a responsible owner. The test is open to all dogs, not just purebreds or AKC registered dogs. Some insurances may offer a discount if your dog has a CGC certificate. If your dog is on an insurance company's "dangerous breed" list, earning the CGC can help you get coverage when you might have otherwise been denied. Each session is a stand-alone class and can be taken multiple times, depending on your dog's obedience training needs. All dogs must be friendly with people and other dogs to attend our classes. Vaccinations must be on record and a copy of each dog's shot record is required for all new dogs at their first class. Our maximum is 10 dogs per class to ensure you and your dog get individual attention. Pre-registration is required one week before each class starts.

## 2018 Election News

Two elections will be held in 2018—the State Primary Election on Tuesday, August 7 and the State General Election on Tuesday, November 6. Springfield voters will have their first chance to use new election equipment and many will have a new polling location beginning this election year. See details at right!

### New Polling Locations

Two Clarkston Schools elementary buildings and one Oakland Schools Technical Campus have served as Springfield Township precincts for many years. The arrangement worked very well and we are grateful to administration and staff for accommodating our residents. However, hosting a precinct means losing a cafeteria or classroom for the day and the schools also have expressed safety concerns because there's no way to control who is in and out of the buildings on Election Day. For these reasons, we're relocating polling locations out of school buildings. Voters in Precincts 4, 5 and 6 were sent updated Voter ID cards listing their new polling locations at either Dixie Baptist Church or Waypoint Church. Precinct 3 will have a new home at Fire Station 3 which is under construction and will be completed before the August primary. Voters in Precinct 3 will receive their new ID cards this spring. The chart below details the changes. Please contact the Clerk's Office at 248-846-6510 if you have any questions.

	New Location	Previous Location
Precinct 4	Dixie Baptist Church 8585 Dixie Highway Clarkston, MI 48348	Oakland Technical Center 8211 Big Lake Road Clarkston, MI 48348
Precinct 5	Dixie Baptist Church 8585 Dixie Highway Clarkston, MI 48348	Springfield Plains Elementary 8650 Holcomb Road Clarkston, MI 48348
Precinct 6	Waypoint Church 8400 Dixie Highway Clarkston, MI 48348	Springfield Plains Elementary 8650 Holcomb Road Clarkston, MI 48348
Precinct 3	Springfield Twp Fire Station 3 9482 Andersonville Road Clarkston, MI 48348	Andersonville Elementary 10350 Andersonville Road Clarkston, MI 48348

### GREAT NEWS! Class 4 Fire Protection Rating

Springfield Township has been upgraded to CLASS 4 for fire protection. The previous 7/10 rating was reduced significantly as a result of many recent improvements in our Fire Department and its level of service including:

- Quicker response time
- Expanded firefighter and officer training
- 24/7 staffed station at Rattalee Lake & Dixie
- New facilities covering more areas of the township
- Improved and increased water sources, tanker trucks and engines

This new rating goes into effect May 1 and, upon renewal, most residents could see insurance premiums drop\* approx. 20% and some as much as 30%!

The men and women of STFD have worked hard to accomplish these improvements and rating change.

**Thank You Firefighters & Officers!**

**A very special thanks to the Springfield voters** who placed their faith and trust in Springfield Fire and the Springfield Township Board by approving a new millage that made the improvements and this change possible.

\*Premiums determined by each insurance company

### Thank You

Pastor Vanaman and the staff of Dixie Baptist Church and Pastor Horvath and the staff of Waypoint Church for your generosity and willingness to serve our community!

## New Equipment

Michigan's election equipment was 10 years old and nearing the end of its life. Following many years of focus groups and investigation, the state selected new equipment. All jurisdictions in Oakland County have brand new tabulators and accessible devices from Hart Intercivic. These voting systems are the newest digital scanning technology and have gone through extensive testing at the federal and state levels. Like the previous machines, the new equipment is not connected to the internet plus it provides additional security all through the voting and reporting process. We're confident that voters and election inspectors alike will appreciate the simple design and large screen which make this new equipment intuitive and user-friendly.

Spring Clean Up is Saturday, May 12th from 8 am to noon at Springfield Oaks.

Paper shredding and tire disposal is also available on site. For a complete list of accepted items and more information, **visit our website**

**at [www.springfield-twp.us](http://www.springfield-twp.us) or call the Supervisor's Office at 248-846-6502.**

# Natural Resources Updates

Over the past three years, our Natural Resources Program staff have been working to improve the lands and waters of Springfield Township. These efforts have led to a decrease in invasive plant species at many sites in the township and significant wildlife habitat improvements at our Township parks.

Join us this year for several staff-hosted events to explore new or seldom seen portions of our township-owned preserves that highlight the natural beauty of the township and wildlife habitat we protect.

## Exploring River Run Preserve

**June 2, 10am-12pm**

The River Run Preserve is the most recent addition to the Township's park network and is now open for exploration. Recent improvements include a trail network for people and habitat management for plants and wildlife. Join us for a guided hike through the preserve where we can expect to observe early season wildflowers including trilliums and orchids. This field tour is rated as low difficulty due to anticipated length of hiking loop (1 mile), varying terrain and potentially uneven footing in the prairie fen.

## Hazardous Waste Collection

Springfield Township has joined with other communities in Oakland County to provide our residents with a safe and easy way to rid their homes of hazardous waste.

Household hazardous waste is the unwanted or unusable portion of consumer products that contain substances that can harm people or the environment including household cleaners, paint and automotive additives. Five collection events are planned in 2018 at sites throughout Oakland County. Residents will be able to attend any of those events for only \$10.00.

**For a complete list of items accepted and collection dates, please visit [www.oakgov.com/advantageoakland](http://www.oakgov.com/advantageoakland) or call the Supervisor's Office at 248-846-6502.**

**Impact Weekend** is held twice each year to serve our neighbors in North Oakland County. Projects for seniors, low income families, the homeless, the hungry, those with special needs, churches, schools and other nonprofit organization are included. Individuals of all ages and abilities, families or groups are welcome to participate. Sign-up to volunteer at: [www.impact-weekend.org](http://www.impact-weekend.org)

If you know of a project to serve a senior, low income family, or anyone who is homeless, hungry or with special needs, **please contact Dan Whiting:** [dwhiting@clarkstoncommunity.com](mailto:dwhiting@clarkstoncommunity.com) or **248-625-1323.**

## Exploring the Shiawassee Basin Preserve

**July 29, 10am–12pm; August 25, 10am–12pm**

Tour the wilder part of the Shiawassee Basin Preserve with Natural Resources Manager Mike Losey to learn about rare plants, wildlife, unique habitats and the steps Springfield Township is taking to preserve them. Participants should bring sturdy hiking boots, preferably waterproof, with sufficient ankle protection and support to guard against cut stumps and uneven terrain. Also, insect repellent clothing or spray, sunscreen and a water bottle are advised. This field tour is rated as low-medium difficulty due to anticipated length of hiking loop (1.5 miles), varying terrain and potentially uneven footing in the prairie fen. Meet at the North Shiawassee Trail Head on the west side of Eaton Rd, about halfway between Rattalee Lake Rd and Davisburg Rd.

## Heritage Hike

**September 22, 9–11am**

Join us on the morning of the Davisburg Heritage Festival for an invigorating hike through the Davis Lake Overlook property, exploring the woods and wetlands using our convenient trail network. The short hike (3/4 mile) is suitable for the whole family but keep in mind these are rustic, unpaved trails so expect some hills and uneven ground. The hike will conclude prior to other Heritage Festival activities. Meet at the Davis Lake Overlook Trail Head on the west side of Eaton Rd, about 1/4 mile north of Davisburg Rd.

**For more information about the Natural Resources Program, please visit the Natural Resources page on the Springfield Township website, or sign up for an event by contacting Mike Losey, Natural Resources Manager at [mlosey@springfield-twp.us](mailto:mlosey@springfield-twp.us) or (248) 846-6508.**

**It's all here! From boys baseball to girls softball; T-ball to fast pitch—STPR offers a complete range of clinics and leagues!** 📅 ⭐ 🦾

**General Information:** Registration is required through the Parks & Recreation Office and will be accepted on a first come, first served basis. Leagues may fill up before the registration deadline. Registration will be accepted by mail, in person or by placing it in our afterhours drop box. Full payment in the form of credit, debit, cash, check or money order and a copy of your child(ren)'s birth certificate(s) are required at the time of registration. Registration information and forms can be found on our website at [www.springfield-twp.us](http://www.springfield-twp.us) or by visiting our office, during normal business hours. We cannot accept registration over the phone or online.

Registration is accepted during office hours: Monday–Friday, 9am–12pm & 1–5pm. No refunds will be given after April 13, 2018 for T-Ball & Coach Pitch. No refunds will be given after May 4, 2018 for Baseball & Softball. Refunds on the registrant's part, prior to the cut off dates, will be subject to a \$5 administration fee per person per league.

**PLEASE NOTE:** Game locations will vary and there may be traveling to surrounding communities for all age groups with the exception of T-ball and Coach Pitch. All teams should be prepared to have at least one doubleheader or two games in one week to make up for lost games due to Memorial Day, rainouts or extreme heat. The Parks & Recreation Office will form teams for T-Ball Clinic, T-Ball and Coach Pitch. All other leagues will be formed at the Coaches Draft Night. **Resident rates apply to those residing in Springfield & Rose Townships.** Children must be in the same family/household to receive the additional player rate. For more information, please visit our website at [www.springfield-twp.us](http://www.springfield-twp.us) or call our office at 248-846-6558.

## Girls Basketball Clinic

Help your player excel on the court by giving her the guidance to succeed! All players are welcome, from beginners with no experience, to skilled young athletes looking for a competitive edge to set them apart. Fundamentals like shooting, ball handling, passing, pivoting and footwork will be heavily emphasized. The clinic will be led by the Holly High School Girls Basketball Coaching Staff.

## Raising Monarch Butterflies

Our North American monarchs are facing population decline and they need our help to protect them, so come and learn how to raise your own! It takes only 4 weeks for a monarch to grow from an egg to a lovely butterfly. You'll learn to identify eggs, caterpillars and milkweed (its only food source). We'll look for caterpillars or you'll be able to take some home (if available) so please bring a 1 lb. clear deli container with lid (or something similar) to take yours and watch it transform to an amazing graceful monarch.

## Sanchin-Ryu's Karate

Sanchin-Ryu's karate system is built for the ever-changing daily challenges we all face. This unique style emphasizes the philosophy that the road to true confidence and security is paved with your ability to understand and develop your movement, thinking and emotions. Sanchin-Ryu is a non-competitive style that meets you where you are and gauges your development and individual growth, all in a safe environment. Our belt-ranking system is structured in a healthy no-comparison way, and effectively recognizes each student's personal attainments and progress every step of the way.

### Karate for Kids

Some of the topics and lessons covered include:

- Handling stranger-danger and bullies
- Building a positive self-image
- How to navigate peer pressure and circumvent it
- Developing self-control, both physically and emotionally
- How to improve concentration

## Spring Photography Class

Do you have a digital DSLR camera, but need some direction to help master it? If so, this class is for you! The goal of this course is to give you the understanding of the basic exposure triangle so that instead of relying on your camera's "Auto" button, you can take control of your camera and photos. The exposure triangle is the combination of the three basic camera settings to get a good exposure; ISO (sensitivity of the sensor), shutter speed (how long the shutter is open) and aperture or f-stop (size of the opening of the lens). You will also be learning about basic composition techniques. Each week will include a presentation and discussion, followed by a trip to a local park for hands on instruction from Clarkston photographer Mark Kelly. Students are required to bring a DSLR camera with manual to each class. It will also be helpful for students to have access to Flickr.com to post photos and to have photo editing software like Photoshop or Photoshop Elements, but none of these are required to take the class.

## Tai Chi S.T.A.R. Seniors

### Transcending and Revitalizing

The STAR program was developed by the World Tai Chi Association specifically for seniors as a means of empowerment to assist in the aging process, decrease its effects, improving lung and brain function while also increasing strength and stability of the limbs and core. Breathing exercises are incorporated with a series of graceful movements gentle enough for everyday practice and so readily accessible it can be practiced either standing or seated in a chair. The National Institute on Aging was one of the first in the US to study the effects of a regular Tai Chi practice in participants over 55 finding a number of benefits! Improved memory, focus and concentration in addition to increased circulation, stability and strength, were some of the discovered benefits. Studies also found a decrease in falls, weakness, fatigue and depression. Please join us and discover how a regular practice could benefit you. (No Walk-ins)

## Tabada

Join us for a high energy full body workout! This is a great way to jumpstart your fitness and work on your beach body! If you are an avid athlete, add this fun class to your workout routine to get in an extra sweat once a week and meet new people or sign up with friends! We will be working out in bursts, alternating between 20–30 seconds of an exercise and then 10 seconds of rest. We will repeat this sequence to fun upbeat music, burning up to 15 calories a minute based on a study done by the American Council on Exercise (ACE). All levels are welcome and participants should bring a mat and wear sneakers.

## Wonderful World of Watercolors

Adult students will be trying their hand at this fascinating medium, beginning with simple subjects and then moving on to incorporation of more elements when confident. Emphasis will be placed on learning techniques, including masking, rubber cement, wax reflex and highlighting using white gel pens etc., in order to build up a repertoire for later use. This is an easy way to move yourself into the direction of focusing on your artwork again. Note: students may bring in a favorite photograph and/or work from a provided reference at each class. This is a work-based individual instructional series, rather than a whole class finished painting workshop. Beginners—advanced welcome.

## Sanchin-Ryu's

### Adult Karate & Self-Defense

Sanchin-Ryu's karate system is built for the ever-changing daily challenges we all face. This unique style emphasizes the philosophy that the road to true confidence and security is paved with your ability to understand and develop your movement, thinking and emotions. Sanchin-Ryu is a non-competitive style that meets you where you are and gauges your development and individual growth, all in a safe environment. Our belt-ranking system is structured in a healthy no-comparison way, and effectively recognizes each student's personal attainments and progress every step of the way. Equip yourself with the confidence and abilities you need to stay safe!

- How to read an environment for threats
- How to think and be pro-active
- What to do if you are attacked (using various scenarios)
- How to generate power so that no matter "how big he is" you can protect yourself
- Taught in conjunction with Family Karate Class

## Quick HIIT & Kick

The name says it all! In just a half hour, HIIT it then KICK it, quickly getting on with your day. Perfect for those who "don't have time to work out." What makes HIIT unique is its boost to the metabolism, quickly turning on energy levels and your fat burning furnace for several hours afterwards. High-intensity interval training (HIIT) is a cardiovascular exercise strategy alternating short periods of intense bursts of exercise with less intense recovery periods between intervals. During recovery periods, we'll punch and kick stress to the curb. Simple to follow, learn and incorporate into busy schedules. Please join us and learn the fastest track to your ultimate fitness. The only regret you'll have is missing out on the results if you don't! Recommended for anyone with an established Beginner—Advanced level of aerobic fitness. Not sure? Feel free to request a consult phone call with instructor prior to registration.

**Note:** There will be an optional 10min. extension after class focusing on Abs & Glutes (mat required)

**Bring:** water, hand towel, 1–2 pound weights (optional), supportive tennis or running shoes (no street shoes please) and a mat if staying for extended 10min. Ab/Glute session.

## Breathe and

## Stretch at Sunset 🌅 📢 🦋

Nothing is more important or restorative to your body than a good night's sleep. But sometimes, the day's physical and mental stresses prevent your body from relaxing enough to fall asleep. A quick bedtime yoga routine can help your body unwind naturally and ready your body for a peaceful night's sleep. Studies have shown that doing yoga before bedtime has improved insomnia without the use of medications. It is said that the combination of pranayama and asana relaxes the body and mind, allowing for a more restorative and deep sleep. Activity that's physical helps to boost metabolism and it burns energy. Our class will focus on relaxation and rejuvenation poses. All levels welcome and participants should bring a mat and wear socks or have bare feet for the class.

## Basket Weaving Classes

### The Basket Sampler

Learn how to make beautiful baskets with Kathy McMinn, owner of The Basket Sampler! Classes vary in length of time and participants can bring a sack lunch or snack. Classes also vary in price based on the cost of the materials being used to make each basket.

#### Bandana Basket

A bandana, napkin or cloth can fit in this basket as a liner by making little spaces near the rim to hold whatever type of cloth you use in place. This basket can be utilized in several different ways and is perfect for serving bread, rolls, chips or anything that might get the basket messy. You will also have the option to make it without the spaces to have a nice larger basket. Multiple color choices for reed and bandana will be available. Size is 11" x 11" x 6".

#### French Rand Basket

This is not your usual over/under weave, it's a little different and a lot of fun to make! We'll start out on a wood base, and once a few rows are woven, the weaving goes on a diagonal. This allows you to use lots of color (or just a few if you prefer)! A little more natural weaving, a rim and a handle, and you have a unique basket. Basket is about 7" diameter and 6" tall (10" with handle).

#### Tapestry Basket

This is the perfect basket to hold some of your unique yarns. We will start with a wooden base on a mold, making weaving easy for everyone! The lower portion of the basket is woven in cane, and then the fun begins as you weave your openings for the yarn. An undulating rim completes the basket. Your finished basket will be ready for you to add your yarns at home. Some yarn will be included so you can get started! This will be an all-day class. Bring a lunch or snack and a drink. Class is limited to 8 students.

## Forest Bathing (Nature Therapy Guided Walk) 🌿 ⚠️ 🐦

In the 1980's scientists in Japan started documenting the effect that spending time in a natural environment has on the physical body. They discovered amazing health benefits from lowered blood pressure and pulse rate, to decreased levels of cortisol, the stress hormone present in cancer. These findings have sparked a movement in the US called Nature and Forest Therapy, sometimes called Forest Bathing. Join Minnie Kansman, a certified Forest Therapy Guide, as she leads you on gentle paths in the Shiawassee Basin Preserve inviting you through guided sensory activities to experience your own nature connection. These invitations will assist you to explore nature in the deepest way possible.

Bring a bottle of water, food to snack on, a waterproof tarp or mat to sit on, and a camp chair if sitting on the ground is difficult for you. Dress comfortably for the weather, waterproof shoes or boots are recommended. Please do not bring pets and/or dogs. We will meet at the Shiawassee Basin Pavilion 15 minutes before our walk begins. Children 8 years or older are welcome with an adult. Pre-registration is required one week prior to the event.

## The Truth about Estate and Legacy Planning 🌿 ⚠️ 🐦

Properly titling your assets is the key to success or failure when estate planning! We will define/discuss last wills, living wills, trusts, trust funding, powers of attorney, probate, and estate/death taxes. We will explain: how legal fees are determined; strategies to reduce taxes and your overall cost; how to leave your assets to your loved ones protected from their creditors/predators; and how to “stretch” and protect your retirement accounts; and how successors and/or caregivers may benefit and interact more effectively with the proper documents. This informative workshop is presented by Milford attorney and counselor Jack W. Bolling, founder of Legacy LifeLines™ Legal Services. Jack is an in-demand speaker and columnist on estate planning, elder law, Medicaid, and veteran's affairs issues. (Each session is a standalone class and will cover the same information.) Pre-registration is required one week before each class starts.

## Estate Settlement Workshop 🌿 ⚠️ 🐦

**What Do I have to Do When Someone Dies (and I'm in Charge!)**

When someone dies, their “stuff” officially becomes their “estate” and the “estate” can take several forms, depending on asset ownership during life. There will be many tasks to be performed on behalf of the decedent's estate. Many of the tasks are statutory (required by law) and many are required by the decedent's instructions (estate plan.) This workshop will educate you in plain language about all aspects, including things like: the difference between trust and probate estate administration; when court involvement is a must (probate) regardless of the decedent's intent; what you must do under the law, both with the state/county and the IRS, and how to do it; what bills must be paid and which ones not; who pays for what and when; to deal with beneficiaries, siblings, creditors, etc., and much more. Leave the workshop assured that if you are left in charge you will bear no personal responsibility for any estate issues if you perform properly, and you can take pleasure in knowing that you have helped your family. This informative workshop is presented by Milford attorney and counselor Jack W. Bolling, founder of Legacy LifeLines™ Legal Services. Jack is an in-demand speaker and columnist on estate planning, elder law, Medicaid, and veteran's affairs issues. Pre-registration is required one week before each class starts.

## Hunter's Safety 🦅

This class will teach the participants to be safe and responsible hunters. Course topics include: hunting history, safe firearm handling, animal identification, shot selection, laws and regulations, personal preparedness, survival skills and wildlife conservation. This course does not contain "live fire" training. Participants are tested at the completion of the course and those 10 years of age and older are awarded their Hunter Safety Certification Card from the Michigan Department of Natural Resources.

In class and online students must pick up their Hunter Education book at the Springfield Township Parks and Recreation office prior to the class. In class students are required to bring their completed Chapters in Review questions from every chapter in their Hunter Education book (and have their parents sign if applicable) to the first day of class and online students to the last day of class.

Online Students are only required to attend Sunday's class of either session and must bring a copy of their certificate of completion from their online course. Online students are required to pay the full price of the course. For more information about the online portion of the course please visit [www.michigan.gov/dnr](http://www.michigan.gov/dnr).

### DAVIS LAKE OVERLOOK

Thirty-six and a half (36.5) acres adjoins the Shiawassee Basin Preserve west of Eaton Road, north of downtown Davisburg. The property was acquired under the terms of a grant, along with the conservation easement placed on the property, activities detrimental to the Conservation Values of this site are expressly prohibited. These activities include, but are not limited to, the following:

- Motorized vehicles of any type (i.e. ATVs, motorcycles) and non-motorized vehicles (i.e. bikes).
- Gasoline or electric powered boats or personal watercraft.
- Horses and horseback riding.
- Hunting, trapping and skeet shooting, or possession of weapons of any nature.
- Removal, damage or destruction of plants, trees or wildlife.
- Camping or campfires.
- In addition, general Park Rules also apply.

### SPRINGFIELD TOWNSHIP PARKS AND RECREATION REFUND POLICY

- No refunds will be given less than 5 business days prior to the start date of any program, camp or class, unless the program/camp/class was cancelled by the Parks & Recreation Department. All other cancellations/refunds will be subject to a \$5 administration fee per person, per class, program, or camp.
- No refunds will be issued for special events or one-day programs, unless cancelled by the Parks and Recreation Department.
- No refunds will be given for amusement park tickets.

All refunds will be refunded in the form of an Account Credit, Check or your VISA/MC/Discover will be credited. Items must be refunded in the way they were paid, unless you are requesting an Account Credit. No cash refunds will be given. Check refunds will be issued according to the Township bill-paying schedule, which may take 4-6 weeks. If the refund is less than \$10, a credit will be posted to your account. Account Credits will remain on the customer's account for **one year** from the date of the credit posting.

### CLASS REGISTRATION DEADLINES

To help serve our customers better, we have a class deadline policy. In order to confirm the status of a class/program/event, a deadline is listed with each class description.

### TEAM/LEAGUE SPORTS

After the regular registration deadline, absolutely no refunds or credits will be given for any youth or adult team sport.

### DAY CAMPS

After the registration deadline, absolutely no refunds or credits will be given. All patron requested transfers must be done prior to the registration deadline.

### TRANSFERS

Transfers are only authorized providing space is available in the new activity. All transfers will only be completed once a transfer form has been submitted and any differences in fees have been paid.

### MEDICAL EMERGENCIES

Patron requested refunds due to medical emergencies may be refunded at a pro-rated rate, upon request in writing. Patron must produce doctor's note. No administrative fees will apply.

### FACILITY RENTALS

If the cancellation/transfer request by the applicant occurs more than fourteen days prior to the event: All transfers are subject to a \$10 administrative fee, pending the new date is available. All transfers must be done in person. In the case of a refund, the rental fee minus \$10 will be refunded along with the deposit. If rental fee has not been made, the \$10 fee will be deducted from the security deposit. If a cancellation by the applicant occurs less than fourteen days prior to the event: The entire rental fee is forfeited and the deposit will be returned in full, regardless of the reason for the cancellation, including inclement weather. Regular policies regarding return of security deposit still apply.

### CANCELLATIONS

Springfield Township Parks and Recreation reserves the right to cancel scheduled classes, programs, camps or special events due to the low registration and/or other conditions beyond our control.
