

Springfield Township Parks & Recreation

Springfield Township Park Department has four parks covering over 552.5 acres of land. You can help support our parks by purchasing a bench or picnic table, with a commemorative or recognition plaque. Your donation can make a difference and provide a lasting benefit for future generations. The donation may be a tax-deductible contribution (consult a tax advisor for information). Individuals may recommend a specific location for placement of the bench or picnic table, however the parks staff will determine the final placement. The bench or picnic table will be maintained in its original location for a minimum of 15 years unless park development causes a new location to be necessary.

Park Benches

Springfield Township Park System uses wood benches with galvanized frames. The benches are 6 feet long with seat backs. They are installed in concrete as part of the donation. The benches also come with a brass recognition plaque mounted onto the seat back of the bench.

Picnic Tables

Springfield Township Park Department uses wood picnic tables with galvanized frames. The picnic tables come with extended tabletops to provide access for wheelchairs. The picnic tables are also installed in concrete as part of the donation. The picnic tables also come with a brass recognition plaque mounted onto the tabletop.

Plaque Guidelines

Plaque messages are limited to 24 characters (the charge for each additional letter is 50 cents). Sample messages are "In loving memory of John Smith", "In honor of John and Jane on their 50th anniversary". All messages are subject to Springfield Township Parks and Recreation Department approval. The price of the donations includes costs associated with installation of the bench in concrete and the mounting of the Plaque.
