**Public Hearing:**

**Old Business:**

1. Lumberyard property improvement

Per the memo from Property Manager Mike Forst dated July 11, 2011, Arbor View Tree Service completed one day of work on July 5<sup>th</sup> as approved by the Board. There is more work to be done and the contractor has agreed to complete the work for the same day rate of \$1,600.

Treasurer Dubre visited the site and agreed there is more work to be done to clean up the property and make it safe. She noted she originally opposed authorizing two days work but after visiting the site and saw what the contractor accomplished in one day, is recommending the Board approve another days work.

Trustee Hensler agreed, there are more dead trees than originally thought; the Board should let the contractor finish what they started.

Minutes of **REGULAR MEETING**  
Held **July 14, 2011**

Township of Springfield

Laura Moreau, Clerk

Clerk Moreau also supported completing the work.

- \* **Clerk Moreau moved to authorize Mike Forst to coordinate an additional day's work of tree removal, to award the bid to Arbor View Tree Service to return for a one day rate of \$1,600.00 to complete the work at the lumberyard property as discussed. Trustee Hensler supported the motion. Vote on the motion. Yes: Dubre, Hensler, Hopper, Moreau, and Vallad; No: None; Absent: Lamont. The motion carried by a 5 to 0 vote.**

2. Medical Marijuana Moratorium extension

Chairperson Pro Tem Vallad noted the Township reviewed this item and set the moratorium after discussion on the law's potential impact on the community back in December. The moratorium has now expired and Attorney Need is recommending the moratorium be extended for another 6 months for reasons noted in his memo dated July 8, 2011.

Clerk Moreau clarified the original resolution was for 180 days which expired on June 7<sup>th</sup>, and inquired if the extension be from that point or would it be starting from today. Attorney Need responded it would be from today which was acceptable since there weren't any contact or applications received since it expired; he would prepare another resolution using the same language but with the new date.

- \* **Treasurer Dubre moved to authorize Attorney Need to prepare a formal resolution extending the Medical Marijuana moratorium for six (6) months from today's date as previously adopted by the Board. Clerk Moreau supported the motion. Vote on the motion. Yes: Dubre, Hensler, Hopper, Moreau, and Vallad; No: None; Absent: Lamont. The motion carried by a 5 to 0 vote.**

**New Business:**

1. Medical Reimbursement for Michael G. Trout, June 2011

Former Supervisor Trout is requesting medical reimbursement for expenses incurred in June of 2011. It was noted Mr. Trout did provide all the necessary paperwork and information for this request and has voluntarily agreed to reduce his request from \$680.60 to the prorated amount of \$589.85.

Chairperson Pro Tem Vallad commented the Township does have a reimbursement policy and Mr. Trout has complied with all the requirements and is entitled to the reimbursement.

Minutes of **REGULAR MEETING**  
Held **July 14, 2011**

---

Clerk Moreau commented the Board should consider addressing the reimbursement policy and suggested referring it to the Township Attorney to look at it as it relates to actual out of pocket costs and flex payments. However, she did agree Mr. Trout's request does meet the terms of the current policy.

Chairperson Pro Tem Vallad agreed the policy needs to be updated; it does not reflect current medical policies that are being employed by both Springfield and other employers. The policy is based on a different set of conditions from some time ago.

The rest of the Board concurred.

Attorney Need agreed to bring something back to the Board addressing the above suggestions.

- \* **Clerk Moreau moved to authorize payment to Michael Trout in the amount of \$589.85 for medical reimbursement for the month of June 2011 prorated to reflect twenty-six (26) days of employment during the month. Trustee Hopper supported the motion. Vote on the motion. Yes: Dubre, Hensler, Hopper, Moreau, and Vallad; No: None; Absent: Lamont. The motion carried by a 5 to 0 vote.**

2. Purchase of Automated External Defibrillator

This request is from Fire Chief Oaks to replace 3 AED units that are 12 to 15 years old. An RFP was sent out and 7 bids were received. Fire Chief Oaks is recommending the low bid from Cardiac Science of \$6,735.00.

Chairperson Pro Tem Vallad asked if the 3 units being replaced are still usable? Fire Chief Oaks said, yes, but because of their age, should be replaced. He suggested they could be placed somewhere within the Township or Sunshine Medical Equipment has offered to buy them for around \$350, but if there is a use for them within the Township, suggested doing that.

Chairperson Vallad requested Fire Chief Oaks to see how much it would cost to get the units refurbished.

- \* **Treasurer Dubre moved to authorize the Fire Chief to purchase the three (3) AED units from Cardiac Science with cost on the units themselves not to exceed \$6,735.00 plus an additional \$100.00 for shipping of said units. Trustee Hopper supported the motion. Vote on the motion. Yes: Dubre, Hensler, Hopper, Moreau, and Vallad; No: None; Absent: Lamont. The motion carried by a 5 to 0 vote.**

3. First Reading: Solicitation Ordinance

This proposed ordinance had been discussed at previous meetings and relates to the permitting of some forms of solicitation and door-to-door sales. Chairperson Pro Tem Vallad commented this is the first reading of the proposed ordinance and requires a second reading before it can be adopted.

Attorney Need noted the memo in the Board packet from Attorney Hamameh that addressed the concerns the Board had at the last meeting.

Clerk Moreau stated Attorney Hamameh's memo cleared up the concerns but was still not happy with the solicitation hours but would have to agree to them.

Treasurer Dubre asked what a reasonable permit fee would be? Attorney Need responded he would check with other communities and that the Township would not have to be limited to a single fee. He would bring back fee information to the next meeting.

Chairperson Pro Tem Vallad noted the court's decision that made a distinction between commercial and religious solicitation.

It was also noted that charitable purposes would not require a permit such as Girl Scouts, Boy Scouts, the fire department etc. unless collection was taking place in a hazardous area such as street intersections.

- \* **Trustee Hopper moved to authorize the Clerk to publish the Solicitation Ordinance for Second Reading for the next Regular Board meeting as presented. Treasurer Dubre supported the motion. Vote on the motion. Yes: Dubre, Hensler, Hopper, Moreau, and Vallad; No: None; Absent: Lamont. The motion carried by a 5 to 0 vote.**

4. First Reading: Amendment to Ordinance 29, Omnibus Criminal Ordinance, Section 5.07

Chairperson Pro Tem Vallad commented this is a proposed amendment to Section 5.07 of Ordinance No. 29 - Failure to Maintain Control of Animal; he read the amendment for the public.

Clerk Moreau noted this section was previously about barking dogs, because of the proposed amendment, the section title would also change combining barking dogs and stray dogs into one section.

Trustee Hopper supported the motion. Vote on the motion. Yes: Dubre, Hensler, Hopper, Moreau, and Vallad; No: None; Absent: Lamont. The motion carried by a 5 to 0 vote.**

5. CDBG allocation reduction

Chairperson Pro Tem Vallad noted per a memo from Erin Mattice in the Supervisor's Office dated June 20, 2011 that CDBG funding for 2011 had been cut approximately 16.83%, specifically \$6,105 for Springfield Township.

The Board discussed how it wanted to reallocate the funds.

Treasurer Dubre commented the accounts had to be pretty much adjusted as defined in Ms. Mattice's memo due to the \$2,500 minimum requirements, and was not in favor of eliminating anything.

Before making any decisions, Treasurer Dubre wanted to know where Parks & Recreation Department stood with the redevelopment of their Master Plan. She noted money had been allocated from CDBG funds for 2010 and 2011 for this purpose. She also had questions regarding reprogramming the CDBG funds. Given that new grant figures were just released, Treasurer Dubre believed this issue did not need to be acted on tonight and suggest it be tabled for more information.

It was also suggested notification be sent to the organizations were funding had been reduced. In particular, Neighbor for Neighbor.

- \* **Treasurer Dubre moved to table the discussion regarding the 2011 CDBG allocation reduction until the Treasurer can obtain further information regarding the status of cost for the Springfield Parks & Recreation Master Plan along with additional information in regards to the CDBG funding allocations from the Supervisor's Office . Trustee Hopper supported the motion. Vote on the motion. Yes: Dubre, Hensler, Hopper, Moreau, and Vallad; No: None; Absent: Lamont. The motion carried by a 5 to 0 vote.**

6. Supervisor Vacancy: Interview Questions

Given that former Township Supervisor, Mike Trout, resigned effective June 26th, the Board is required by state law to appoint a replacement within 45 days otherwise the County Clerk will call a special election.

The Board discussed questions they would like candidates to address. Trustee Lamont submitted a list of suggested questions to the Board.

Clerk Moreau prepared a list of interview considerations and suggested each candidate should receive the list prior to their interview in order to prepare a 15 to 20 minute presentation. The Board would then be able to ask follow up questions on candidate's presentation and resume. Board members agreed to this process.

After discussion on Clerk Moreau's list and other suggestions by Board Members, a list of questions/talking points was agreed upon. Clerk Moreau stated she would get a letter out to the candidates in the morning who had interviews scheduled for July 19<sup>th</sup>..

Attorney Need clarified that a motion to appoint a candidate would only need approval of the majority voting.

7. Dixie/Davisburg Traffic Signal

Treasurer Dubre commented in 2009 the Board approved an update to the Dixie/Davisburg traffic signal, the estimated cost was \$200,000 to be funded by tri-party funds. She noted it has taken a couple of years for the project to go through the process but bids have now been received and she provided a memo dated July 13, 2011 with a breakdown of the original estimate and the current revised costs from the lowest bid. The new numbers were a considerable amount over the original estimate and Treasurer Dubre was concerned there was not enough tri-party funds to cover the additional cost. In her correspondence with RCOC, she found out the project could be cancelled and the Township could be refunded the amount it has already paid of \$33,333.

After seeing the cost breakdowns, Chairperson Pro Tem Vallad asked for clarification on what the Force Account and Construction Payments line items included, the two items that significantly increased.

It was discovered the Force Account had included prices for cameras and ADA ramps for all four corners. Treasurer Dubre noted it was her understanding the Board in 2009 had approved ADA ramps on all four corners but RCOC indicated the agreement and estimate included only one corner. The agreement information from the original estimate was very vague and did not provide a detailed scope of work. Also included in the revised cost

Minutes of **REGULAR MEETING**  
Held **July 14, 2011**

Township of Springfield

Laura Moreau, Clerk

estimate was illuminated street name signs and revisions to the mast arm. She indicated she was not sure how and when illuminated signs were added.

Treasurer Dubre corresponded back and forth with RCOC regarding the additions and clarified the other cost line items and was able to get the Construction Payments line item reduced to \$200,801 from the revised amount of \$213,201 and the Force Account line item reduced from \$21,500 to \$4,000 by removing the cameras, the additional ADA ramps, and several other items. The total project revised cost was reduced from \$264,051 to \$234,151 which there would be enough 2011 tri-party funds to cover; the Township's additional share would be \$11,383 for a total contribution of \$78,049.

Treasurer Dubre noted if the Board agrees to move forward, RCOC can approve the bid on July 21<sup>st</sup> and the job would be fully completed by April 2012 meaning all the punch work and landscaping would be done (not sure if that included sidewalks), however it would be functional by December. A new agreement would not be needed, Treasurer Dubre could notify RCOC by email of the approval and would clarify exactly what the Board was approving. She believes that since the project wouldn't be completed until 2012, the Township wouldn't be billed for the other portion of tri-party funds until then.

Chairperson Pro Tem Vallad and Trustee Hopper still wanted to see details of what was included in the estimated 2009 quote. Treasurer Dubre reiterated she had all the documents she could find and information was very vague.

Board members briefly discussed the other quotes that were received for possible errors.

Chairperson Pro Tem Vallad commented he originally didn't agree with the project however with these recent reductions, is more agreeable and if the Township ever wants this improvement, it should do it now.

- \* **Treasurer Dubre moved to authorize the Treasurer to confirm with the Road Commission of Oakland County to proceed with the Dixie/Davisburg traffic signal with the revised amount of \$234,150.00 with the total project cost as follows: \$4,000.00 for Force Account, \$1,850.00 for Right of Way, \$15,000 for Preliminary Engineering, \$12,500.00 for Construction Engineering, and \$200,801.00 for Contractor Payments; utilizing 2011 Tri-Party funds in the amount of \$34,151.00 which would leave the Township 33% equaling \$11,383.00. Trustee Hopper supported the motion. Vote on the motion. Yes: Dubre, Hensler, Hopper, Moreau, and Vallad; No: None; Absent: Lamont. The motion carried by a 5 to 0 vote.**

## RESOLUTION

2011-10

### Resolution designating July as Park and Recreation Month in Springfield Township

**WHEREAS** parks and recreation programs are an integral part of communities throughout this country, including Springfield Township; and

**WHEREAS** our parks and recreation are vitally important to establishing and maintaining the quality of life in our communities, ensuring the health of all citizens, and contributing to the economic and environmental well-being of a community and region; and

**WHEREAS** parks and recreation programs build healthy, active communities that aid in the prevention of chronic disease, provide therapeutic recreation services for individuals with mental or physical disabilities, and also improve the mental and emotional health of all citizens; and

**WHEREAS** parks and recreation programs increase a community's economic prosperity through increased property values, expansion of the local tax base, increased tourism, the attraction and retention of businesses, and crime reduction; and

**WHEREAS** parks and recreation areas are fundamental to the environmental well-being of our community; and

**WHEREAS** parks and natural recreation areas improve water quality, protect groundwater, prevent flooding, improve the quality of the air we breathe, provide vegetative buffers to development, and produce habitat for wildlife; and

**WHEREAS** our parks and natural recreation areas ensure the ecological beauty of our community and provide a place for children and adults to connect with nature and recreate outdoors; and

**WHEREAS** the U.S. House of Representatives has designated July as Parks and Recreation Month; and

**WHEREAS** Springfield Township recognizes the benefits derived from parks and recreation resources

**NOW THEREFORE, BE IT RESOLVED** by the Township Board of the Charter Township of Springfield that July is recognized as Park and Recreation Month in Springfield Township.

**Charter Township of Springfield**  
**RESOLUTION**  
**2011-19**

**Resolution Extending Moratorium on Medical Marijuana Approvals and Facilities**

At the regular meeting of the Township Board of the Charter Township of Springfield, Oakland County, Michigan (the "Township"), held in the Township Hall on the 14th day of July, 2011, at 7:30 p.m.

PRESENT: Dubre, Hensler, Hopper, Moreau and Vallad

ABSENT: Lamont

The following preamble and resolution were offered by Jamie Dubre and supported by Laura Moreau.

**Recitals**

The Charter Township of Springfield, "Township", finds:

- A. On December 9, 2010, the Township Board adopted a Resolution which established a moratorium on review and approval of all applications for land use permits, zoning permits, approvals or certificates, for uses, buildings or properties related to medical marijuana.
- B. The moratorium was for a period of 180 days, during which the Township Planning Commission, along with the Township Planning Director, Township attorney, and other Township officials were to proceed with an investigation on how to best regulate facilities and activities related to medical marijuana.
- C. The Township is reviewing additional information, including, but not limited to, recent litigation filed with regard to zoning ordinance provisions affecting medicinal marijuana, and believes additional time is required to complete the investigation of this issue.

**NOW, THEREFORE BE IT RESOLVED** by the Charter Township of Springfield that the moratorium originally enacted on December 9 2010, is hereby extended for a period of an additional 180 days from and after July 14, 2011.

**BE IT FURTHER RESOLVED** that, for the period commencing on the date of this Resolution and terminating on the 180th day after the date of this Resolution, there shall be no consideration or action taken by the Township Board, Planning Commission, or any other Township official, employee and/or agent, on any applications for land use permits, zoning permits, approvals, or certificates for uses, buildings or properties related to medical marijuana, and that during the 180-day moratorium medical marijuana facilities shall not be permitted in the Township.

**BE IT FURTHER RESOLVED** that the Township Planning Commission, along with the Township Planning Director, Township Attorney, and other Township officials, shall continue with their investigation on how best to regulate facilities and activities related to medical marijuana.

**BE IT FURTHER RESOLVED** that during the effective period of the moratorium established by this Resolution, any aggrieved property owner or business shall be entitled to a hearing for the purpose of attempting to demonstrate to the Township Board that the temporary deferral pronounced in this Resolution will result in the preclusion of any viable economic use of their property or otherwise violates applicable provisions of state or federal constitution or law. Such hearing must be requested in a written submittal to the Township Clerk that describes the grounds for the request, with the hearing to be conducted on an expedited basis before the Township Board. At the conclusion of the hearing, the Township Board shall make findings and conclusions with respect to whether the Petitioner has demonstrated that all viable economic use of the property has been precluded by the temporary deferral adopted in this Resolution and/or whether this Resolution on its face or as applied constitutes a violation of applicable constitution or law. If it is found and demonstrated that the deferral has the effect of precluding all viable use of property or that it violates law or constitutional provision, the Township Board shall grant relief from the deferral only to the extent necessary to cure that effect or violation.
