

# I Have a Plan

Name: \_\_\_\_\_

Take this home and create an escape plan with your entire family.

My Fire Department Emergency Number Is: \_\_\_\_\_

1. Draw a diagram of your house, showing all of your rooms, windows and doors.
2. Using arrows, draw two ways out of every room.
3. Decide on a place to meet your family outside (tree, mailbox, streetlight, etc.)
4. Remember to put the location of your smoke alarms on your plan.
5. When your plan is complete - PRACTICE IT!
